CAMBORNE FLORAL DISPLAYS ORDER FORM 2018

Camborne Town Council is continuing its commitment to make Camborne a great place to live, work and visit. A key part of this programme is the provision of stunning floral displays in the town. All display units are heavily subsidised and we have kept prices to a minimum for a fifth year running.

We hope you will want to enhance your shop or office and help promote Camborne. Please complete and return this form for your floral display to the above address, **by Friday 4th May 2018.**

Camborne Town Council will organise the supply and installation of the appropriate flower containers at its own expense; all units will remain the property of Camborne Town Council. **The watering, feeding and replacement of any plants that deteriorate, or are vandalised throughout the season, are included in the price.**

Please see below the costs for each type of unit. Please indicate in the appropriate box the type and number of units you require.
