FREE PUBLIC FACILITIES IN THE HEART OF TOWN

Camborne's innovative community toilet scheme has been developed to provide clean, publicly accessible facilities with extensive opening hours at various locations around the town.

**WHERE CAN I FIND THEM?**

There are currently seven participating venues, as shown on the town-centre map within this leaflet.

Each provider will clearly display branded signage to indicate their involvement in the scheme.

**WHAT TYPES OF FACILITIES ARE OFFERED?**

The amenities provided will vary from vendor to vendor; each will have at least one ladies' and gents' toilet, some will have additional disabled-access and/or designated baby-changing areas.

The facilities available at each location will be shown on its own signage.

LOOK OUT FOR THESE SYMBOLS:

**WHO'S THE SCHEME FOR?**

Everybody! Young or old, disabled people, male or female, local residents or visitors to Camborne, the initiative aims to make a visit to the town a more enjoyable experience for everyone.

**DO I NEED TO BE A CUSTOMER?**

No. All the hosting businesses are recompensed by the council for the public use of their facilities, so you don't need to spend any money to feel entitled to make use of them.

**ARE CHILDREN WELCOME?**

Of course. All approved premises in the scheme have been checked for their suitability for all users, including children. Licensed businesses such as pubs and restaurants can admit persons under 18 years of age, provided that they do not stay after using the facilities.
